

[illegible]

should 38 of it. But this no doubt knows but 38 & 1/2.
Heor fore can not be mentioned in out dig covering me
he at so ad used 38 not to trust me for words his

Ma, for friend

3. He was re which to establish him self leave by
Muryand. and maidens
to be good. He offered at Longdon or Minster after
his designed father in Law. at 1800. for which he was on
er next & can trust father to 38, & General of the 1800.

4. He went now a vowedly in to 1800 to this place his
estate & trans plant all to had together 17

The maines thing a gunst. Right at one. his in
-cleaver my leave. to this corner & find out a 1/2 upper
leave that carried letter by 2. of 1800. his de
-abnd w. & bring my over 1841 1841 to my age,
us he did.

his upre and w 38 & Mr 1831. 1831. 1831. of
of ad marality of 21 1841. for a certain 1841 to lay
a correspondence at 01 1841 & in 1841 to have note,
of all merchants ships that could be made, prise
it in part he did. giving notice. there. of from it
and when he was there him self. his you of in
to 1841 to settle a correspondence for in intelligence
all w. & so dis count w General persons in General
quarters of 1841. to prepare them for a transaction
w those people. when there. I don't know. he open he may
all w. particulars of his I have letter. I shut will in part
& make out as well as his in dig ment by oath w
I can come at them. but they are at present in a place
w. he can not have. He till from master of 1841

When you may be sure they shall be in
as to the frequency of Marchants. In you I pro
ke off in yr last letters. As a string go utterly
out of my way, that I dare promise nothing
the very asking such questions to all that
know me. Being full persons in its own, in
pure.

pure
when I can buy ^{or} Hugue, I doubt it not but
I shall do well when all other accounts
^{of the present year}
for The Co I think you needle not fear,
but I shall do well enough if care be taken
that I names I men from be not received off
at mine.

There is a great noyse of a letter in her respect
written in a woman's hand at G. Hayne, &
They have examined ^{over} it, & I wife a point it
but she know nothing of it. I hope it is not
yrs. for her hand seem I know ne. to ^{be} 38, will
render sweet mors on happily has he ited.

681 Is letter
this word for word the
copy of your first

Q4000
I may take notice the letter he speaks of is
none of mine as he fears: I have not time to
tell you if I would: & how you ought to get
some body to chip Mr Cornells bon of us, heure for not
wounding my presence he told me great hurt by writ
ing to the Hon^{ble} and: he is a good one, & will in ch: I know
